

LIST OF MATERIALS PUBLISHED IN GIROSKOPIYA I NAVIGATSIYA IN 2017

<i>O. A. Babich</i> Application of Picard Method for Calculating Covariance Matrices in Discrete Kalman Filters	2...97
<i>V. S. Bakholdin, D. A. Gavrilov, I. S. Gerasimenko, V. A. Dobrikov, V. F. Ivanov</i> Results of Software-Based Joint Processing of Signals from Global and Regional Navigation Satellite Systems	4...84
<i>E. A. Baranova, M. I. Evstifeev, D. P. Eliseev</i> Simulation of Translational Vibrations Effect on Torque-to-Balance RR-type MEMS Gyroscope	3...86
<i>M. Yu. Belyaev, T. V. Matveeva, D. N. Rulev</i> Possible Technologies of PROGRESS Transport Cargo Vehicle Control during Experiments in Free Flight	3...32
<i>S. B. Berkovich, N. I. Kotov, A. S. Lychagov, N. V. Panokin, R. N. Sadekov, and A. V. Sholokhov</i> Computer Vision System as an Additional Aid in Car Navigation	1...49
<i>Ya. I. Binder</i> Determination of Orientation Angles in Dead Reckoning Systems Based on One Free Gyroscope	4...18
<i>V. A. Bobkov, A. P. Kudryashov, S. V. Mel'man, A. F. Shcherbatyuk</i> Navigation of Autonomous Unmanned Underwater Vehicle Using Stereo Images with 3D Modeling of Environment	3...115
<i>G. V. Cheremisenov</i> Experience of Gyrocompass Design Based on Rotating Laser Gyroscope	3...49
<i>C. Doer, G. Scholz, and G. F. Trommer</i> Indoor Laser-Based SLAM for Micro Aerial Vehicles	1...18
<i>G. I. Emel'yantsev, B. A. Blazhnov, and A. P. Stepanov</i> Specific Features of Constructing a Double-mode Gyrocompass as a Tightly-coupled Integrated System	4...3
<i>G. I. Emel'yantsev, A.P. Stepanov, and B.A. Blazhnov</i> Calibration of In-Run Drifts of Strapdown INS with Uniaxial Modulation Rotation of Measuring Unit	2...3
<i>G. I. Emel'yantsev, A. P. Stepanov, and B. A. Blazhnov</i> Solution of Aircraft Navigation Problem using MEMS IMU and Ground Radio Sources	1...3
<i>M. I. Evstifeev, D. P. Eliseev</i> Structural Optimization of a Mobile Electrode of RR-type MEMS Gyro	2...66
<i>A. V. Golikov, V. M. Pankratov, and M. V. Efremov</i> Analysis of Temperature Fields of a FOG-Based Angular Rate Measurement Unit	4...60

<i>A. A. Gus'kov, I. V. Norinskaya</i> Effect of Gyroplatform Control Error on the Accuracy of Initial Azimuth Orientation of Gyroscopic Inclinometer	2...52
<i>V. A. Granovskii, M. D. Kudryavtsev, A. A. Untilov</i> Comparison Tests of INS Heading Channel. Reference Channel with Zero Systematic Error	3...97
<i>H. Hanada, S. Tsuruta, K. Asari, H. Araki, H. Noda, S. Tazawa, S. Kashima, K. Funazaki, A. Satoh, H. Taniguchi, H. Kato, M. Kikuchi, H. Sasaki, T. Hasegawa, T. Yano, N. Gouda, Y. Kobayashi, Y. Yamada, T. Iwata, A. Gusev</i> Development of a Small Telescope like PZT and Effects of Vibrations of Mercury Surface and Ground Noise	3...138
<i>V. B. Ivanov, D. A. Zatolokin, O. A. Gorbachev</i> Comparing Models of Total Electron Content in the Ionosphere for GLONASS	2...89
<i>V. V. Karetnikov, D. F. Milyakov, and A. E. Sazonov</i> Using the Attitude Determination System to Measure the Dynamic Trim of Sounding Vessel in Shallow Waters	1...128
<i>W. Khalaf, I. Chouaib, M. Wainakh</i> Novel Adaptive UKF for Tightly-Coupled INS/GPS Integration with Experimental Validation on an UAV	2...35
<i>L. V. Kiselev, A. V. Bagnitckii, and A. V. Medvedev</i> Identification of Hydrodynamic Characteristics of Autonomous Underwater Robot Using the Model and Experimental Data	1...78
<i>N. S. Kosarev, V. F. Kanushin, V. I. Kaftan, I. G. Ganagina, D. N. Goldobin, G. N. Efimov</i> Results of Comparison of Deflections of the Vertical Identified in the Western Siberia Region	4...72
<i>N. Kronenwett, J. Ruppelt, and G. F. Trommer</i> Motion Monitoring based on a Finite State Machine for Precise Indoor Localization	1...33
<i>D. A. Pogorelaya, M. A. Smolovik, S. A. Volkovskiy, M. A. Mikheev, A. S. Aleynik, and V.E. Strigalev</i> Adjustment of PID-controller in Fiber-Optic Gyro Feedback Loop	1...119
<i>A. Radi, S. Nassar, and N. El-Sheimy</i> Stochastic Error Modeling of Smartphone Inertial Sensors for Navigation in Varying Dynamic Conditions	4...35
<i>B. S. Rivkin</i> Satellite Technologies at ENC 2017	4...108
<i>I. Skakun, V. Mitrikas</i> Comparison of Time Scales by Common View Method Based on the Measurements Taken by GLONASS Unmanned Spacecraft and Taking into Account Integer Property of Phase Ambiguities	4...95
<i>A. V. Sokolov, A. A. Krasnov, A. S. Alekseenko, Yu. F. Stus, E. O. Nazarov, I. S. Sizikov</i> Measuring Absolute Gravity Aboard Vehicles Experience	2...77
<i>R. I. Sol'nitsev, A. I. Karimov, and T. I. Karimov</i> Design of Digital Controllers of Gyroscopic Command Devices	1...108
<i>G. M. Trigubovich, S. O. Shevchuk, N. S. Kosarev, and V. N. Nikitin</i> Complex Technology of Navigation and Geodetic Support of Airborne Electromagnetic Surveys	1...93

<i>A. A. Untilov, D. A. Egorov, A. V. Rupasov, R. L. Novikov, S. T. Neforosnyi, M. P. Azbeleva, E. V. Dranitsyna</i>	Results of Fiber-Optic Gyro Testing	3...78
<i>Yu. V. Vaulin, F. S. Dubrovin, and A. F. Scherbatyuk</i>	Algorithms for Determining AUV Initial Unknown Position based on Data from Single-Beacon Mobile Navigation System	1...64
<i>J. F. Wagner</i>	About Motion Measurement in Sports Based on Gyroscopes and Accelerometers – An Engineering Point of View (<i>Review</i>).....	3...3
<i>L. Wang, W. Wu, and X. Pan</i>	RLG SINS Dynamic Error Compensation Under Vibration Environments	3...60
<i>O. A. Zorina, E. A. Izmailov, S. E. Kukhtevich, B. I. Portnov, A. V. Fomichev, N. B. Vavilova, A. A. Golovan, I. A. Papusha, N. A. Parusnikov</i>	Enhancement of INS/GNSS Integration Capabilities for Aviation-Related Applications.....	2...18

**International Public Association
Academy of Navigation and Motion Control
Official information**

43rd General Meeting of the Academy of Navigation and Motion Control.....	2..107
On the 80th Birthday of G.P. Anshakov	2..105

New Books

Review of the book <i>Modern Methods and Means of Measuring the Parameters of Earth Gravity Field</i> , <i>Peshekhonov, V.G., Ed.</i> , by M.V. Chichinadze.....	1..136
--	--------

Information

<i>Yu. A. Litmanovich</i>	ION Pacific PNT 2017	3..153
4 th IEEE International Symposium on Inertial Sensors and Systems (INERTIAL'17).....	2..113	
24 th Saint Petersburg International Conference on Integrated Navigation Systems	2..109	
.....	4..139	
Russian and international conferences, symposia and exhibitions	1..139	
Russian and international conferences, symposia and exhibitions	2..117	
Russian and international conferences, symposia and exhibitions	3..156	
Russian and international conferences, symposia and exhibitions	4..122
